

Lanier High School Longhorn Bands

PO Box 2211

Sugar Hill, GA 30515

www.lanierband.org

Dear Sponsor,

Thank you for your interest in supporting the Lanier High School Longhorn Band program! Our mission is to teach young students the significance of music and how it affects and imposes itself upon their daily lives. We instill in our students the importance of integrity, high character, teamwork, community, civic duty, leadership, compassion for others, and musical achievement. In doing so, our hope is that anyone associated with the Lanier High School Band will make a positive and lasting impact on the world around them.

Last year we raised over \$15,000 to go towards new instruments for our students. This year our goal is to raise \$30,000 for new uniforms for the marching band program, as well as fund music ensemble scholarship opportunities for our high-need students.

We could not have reached last year's milestone without the help of our generous sponsors. This year we are hoping that you might be able to join our organization as a sponsor. We believe this partnership could greatly benefit your organization's charitable giving goals, raise the visibility of your brand and services/products, and create future business opportunities in connection with our organization.

Attached is our sponsorship form where you can choose from four sponsorship levels. As a thank you, we offer several sponsorship packages, including logo promotion, tickets, and band shirts. Additionally, under our 501(c)(3) non-profit organization status, we are able to issue you verification for your fully tax-deductible contribution.

Thank you for your consideration and HOOK 'EM HORNS!

Sincerely,

Lanier Band Booster Association
